SCENERY Solutions

Annie/Annie Jr/Annie KIDS Set, backcloth and prop hire

All pricing per week and exclusive of VAT and transportation.

Thank you for enquiring about our set and props for Annie!

Based near to Southampton, Scenery Solutions Trading Ltd specialise in the hire of theatrical scenery, backcloths and props to amateur and professional theatre. We also hire to schools, corporate events, TV and film.

Our Annie set is based around four periactoids. First used in Greek theatre, these revolving triangular set pieces allow for quick scene changes and reconfiguration of the stage. For Annie, they are used in conjunction with backcloths to create the settings for Warbucks Mansion, the White House, the Orphanage and the Radio Station.

We offer three configurations of the set, each including the peris. The full set is available for £1250 (plus VAT) per week, reduced set for £850 (plus VAT) per week and peri only set for £550 (plus VAT) per week. Pricing excludes transportation, please contact us to discuss these costs.

In addition to the four peris, our full set includes a truck for Miss Hannigan's office, a book flat for Hooverville, 5 beds for the orphanage, signage for other scenes and the main build-up of steel deck, handrails, steps and balustrade. A package of twelve backcloths is included with the full set.

Our reduced set provides all the necessary scenery for Annie whilst being sympathetic to smaller venues, particularly those who have limited capabilities for flying backcloths. The reduced set includes three backcloths for Warbucks and Times Square along with the four peris, beds for the orphanage and the main build-up of steel deck, handrails, steps and balustrade.

The peri only set is suitable for smaller venues, using the peris to create the scenery. We also supply beds for the orphanage and a Times Square backcloth.

All sets require a minimum stage height of 12 foot. For the full and reduced sets, 14 feet is recommended to allow for persons stood on the top level of rostra. All backcloths supplied with this set are 40 foot wide by 20 foot tall. For smaller venues, we can supply cloth clips and ties at an additional charge if required.

Additional backcloths can be added to the reduced and peri only sets at our industry leading rate of £150 (plus VAT) per week, with no additional transport costs.

In addition to scenery and backcloths, we are also able to supply a full props package for £550 (plus VAT) per week, or individual props as per the listed prices.

For more information, please email us on enquiries@scenerysolutions.co.uk or call the office on 023 8064 1496.

We look forward to working with you on your show!
