Introduction

SUMMARY

It's the first day after winter break at East High. The Jocks, Brainiacs, Thespians and Skater Dudes find their cliques, recount their vacations, and look forward to the new year. Basketball team captain and resident jock Troy discovers that the brainy Gabriella, a girl he met singing karaoke on his ski trip, has just enrolled at East High. They cause an upheaval when they decide to audition for the high school musical, led by Ms. Darbus. Although many students resent the threat posed to the "status quo," Troy and Gabriella's alliance might just open the door for others to shine as well.
