Introduction

SCENERY Solutions

SUMMARY

Based on the eponymous novel and film, this musical begins as the bells of Notre Dame cathedral sound throughout Paris. Quasimodo, the deformed bell-ringer, observes Paris revelling in the Feast of Fools. He escapes from his captor the archdeacon Frollo for the day to join the crowd only to be treated cruelly by all but the beautiful gypsy Esmerelda. He vies with the handsome Captain Phoebus and Frollo for her attention whilst Frollo embarks on a mission to destroy the gypsies – and it's up to Quasimodo to save them all.

SUMMARY

The set consists of a static multi-level build-up of the inside of Notre Dame cathedral. A flexible width rear platform comes with an option for the choir to be located on the top level whilst also providing a playing area for the cast, with arch frontings on the lower level to house the statues from the congregation, along with the cathedral doors. The stage left side of the build-up is begins upstage at 7-foot, lowering to 3-foot downstage, with on-stage access to the 7-foot level and offstage access to the 3-foot level providing options for entrances and exits, as well as a small playing area. The stage right side of the build-up begins at 7-foot upstage, lowering to a 4-foot-high playing area downstage with both on and off-stage steps which can function as the bell tower for scenes where the main playing area is otherwise in use. Also included with the set is a multipurpose truck for the Feast of Fools and burning of Esmerelda.
