SHOWTIME Solutions

SUMMARY

Come From Away is a musical that tells the true story of 7,000 airline passengers who were stranded in Gander, Newfoundland, after the September 11th terrorist attacks forced the closure of US airspace. The musical focuses on the kindness and generosity of the people of Gander, who opened their homes and hearts to the displaced travellers. It highlights the unexpected camaraderie and friendships that blossomed amidst the crisis.

Set Package

SUMMARY

This set is designed to resemble the original production. It's a fixed back wall which is slatted and is lit from within using LED. The set can change to any colour you like to set the mood. There is a centre door slightly raised which can be used for the plane door or the church. There are steps that can be wheeled in front of this door to allow access, but can be removed when used as a plane, to give the effect of height. The set also comes with four portal flats and 6 trees to finish the static set. In addition, the set includes tables and chairs.

When booking our Come from Away set you are required to obtain a licence to use a replica set through MTI we are obligated to inform MTI of all confirmed set bookings.

6'x3' Steel deck @ 3'
to enable access to
door in centre flat, get off
Steps will be included as well as handrails

Wheeled steps will be supplied
To enable on stage access to the
centre door

The rear wall of flats will contain 5 x 6' wide flats and scope to add 2 additional 4' wide flats if required. The flats will be available in either 14' or 16' height
The flats will be slatted and contain LED lighting. The flat will be backed so will only let light through

If required the 4' wide flats from the rear build up could be used as portal flats instead, giving 3 sets instead of 2

4' wide flat constructed identically as the rear flats

4' wide flat constructed identically as the rear flats

The 6 tree trunks will be freestanding on a weighted base. They will be available in 14' and 16' heights

4' wide flat constructed identically as the rear flats

4' wide flat constructed identically as the rear flats

A selection of 12 chairs and 4 tables will be supplied with the set
