Introduction

SCENERY Solutions

SUMMARY

In the wild-west outpost of Deadwood City, 1876, we find the sharpshooting tomboy, CALAMITY JANE surrounded by cowboys, townsfolk, and the famous Wild Bill Hickok. After a mix-up in the talent pool at Deadwood's saloon-theatre, Calam goes to Chicago to import to Deadwood the glamorous actress, Adelaid Adams, but returns by mistake with her maid, Katie Brown instead. Back in Deadwood, Katie's inability to perform is overcome as she wins the heart of the young Lieutenant Danny Gilmartin, and when Calam sheds her tomboy persona at a ball at the local Fort and becomes a true woman, she realizes that she loves Wild Bill Hickok.
